

SWIMMING POOLS

Lago Martiánez is a leisure complex, situated in Puerto de la Cruz, Tenerife. It expands over 100 000 m², consisting of an artificial lake with seven pools. The pools are surrounded by gardens, restaurants, bars and many other facilities. By its unique design the complex offers a view of local features such as various booths, palisades and views of the sea. Apart from the architectural work, the complex hosts a series of sculptures created by César Manrique.
